Little Church Around the Corner No Longer a Gretna Green.

New York, Oct. 30 .- Eloping lovers and others who seek hasty or secret marriages will no longer find a Gretna sas ave. Both phones 277. Green in the Little Church Around the Corner here, famous for the romantic unions that have been effected there. This is the decision of the Rev. Dr. George C. Houghton, rector of the

church, expressed to a reporter.

Dr. Houghton says that when it is possible publicity must attend any marriage at which he may officiate henceforth. It is his purpose that the banns shall be published in the old fashioned way before the ceremony, so that any third person who may know that there are reasons why it should not take place, may be able to appear and perhaps save a life time of re-pentance on one side or the other.
